**RE: RECOGNITION OF OUTSTANDING CONTRIBUTION TOWARDS FULFILING NCPWD
MANDATE THROUGH POVERTY REDUCTION AMONG THE LESS FORTUNATE IN
SOCIETY BY ADPACK LTD.**

The National Council for Persons with Disabilities (NCPWDs) is a State Corporation established under the Persons with Disabilities Act No.14 of 2003 to champion for the rights, rehabilitation and equalization of opportunities for Persons with Disabilities in Kenya.

The Council in executing its statutory mandate as provided for under the Act that both public and private sectors progressively implement the reservation of five percent of all casual, emergency, contractual and permanent employment opportunities to Persons with Disabilities.

ADPACK LTD has shown outstanding contribution towards our mandate through poverty reduction among persons with disabilities who are registered by the National Council for Persons with Disabilities. The company not only provides employment opportunities to persons with disabilities but also goes beyond its boundary to connect it with likeminded companies thus expanding opportunities for our clients.

We would be very grateful if ADPACK LTD can be assisted to expand its activities so that it can continue with its CSR that has benefited persons with disabilities both from within the region where it operates and beyond.

If you have any questions regarding this recommendation, please do not hesitate to contact the Council.

Yours sincerely,
